

FIVE MAJOR CIRCLES OF LATITUDE

www.TheWiseNest.com

This worksheet is designed to help your child learn, visualize and label the major circles of latitude. Younger students can use the cut and paste option, while older students can label each circle by hand. I ended up making two versions of it. I couldn't decide which one I liked better, so I am including both versions :) Enjoy!

Answer Key:

Thank you for downloading this file! I hope it can be useful to your family!
