WEATHER FRONTS CARDS

Use these cards to introduce, teach and review the weather fronts. I included a picture of what the weather front looks like and also the symbol for each weather front. This way the students will learn to recognize the symbols every time they see the weather shown on TV.

Thank you for downloading this file! I hope it can be useful to your family!

If you would like to share, please share a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files. Please do not sell or host these files anywhere else.
