

MONTHS OF THE YEAR LABELS IN SPANISH

www.TheWiseNest.com

I have these cards displayed on my calendar wall in our school room. Every day as a morning routine, we go over the days and months of the year in Spanish. We use the videos posted on our blog to sing the songs and review them. I printed mine on color cardstock, but it would work printing them on white paper too.

If you don't have the space to display all the cards, you can use the poster sheet I have designed with all the months in one page. You can find it on our blog as well.

Thank you for downloading this file! I hope it can be useful to your family!

If you would like to share, please share a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files. Please do not sell or host these files anywhere else.
