

**TYPES OF POLLUTION**  
**PICTURE CARDS**

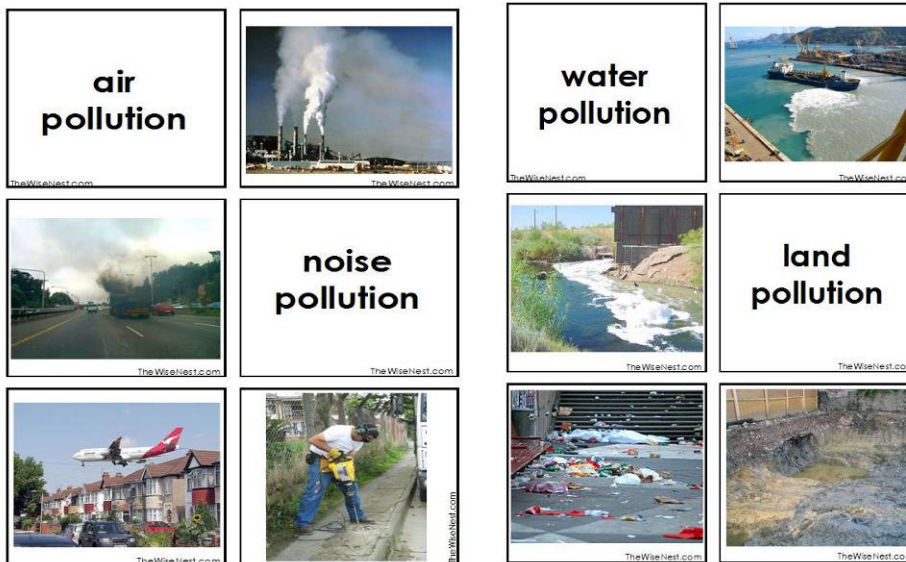

Use these cards to introduce the topic of pollution.

Talk about the different types of pollution and show your child pictures of examples of pollution.

Mix all the cards on a table or floor and help your child match the pictures with the correct words.

Play “Race You” to match the cards in the fastest time possible.

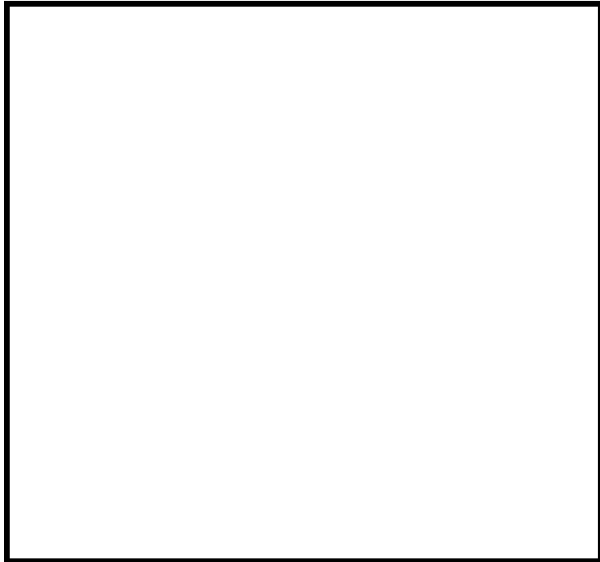

Print the cards on cardstock and laminate for more durability.

Thank you for downloading this file! I hope it can be useful to your family!

If you would like to share, please share a link to my blog or to the page that hosts these files. Please do not link directly to just the PDF files. Please do not sell or host these files anywhere else.
