

THANKFUL TURKEY

Use this turkey to help you display the different things your family is thankful for.

1. Print out the turkey and feathers.
2. Cut out each shape.
3. Write something you are thankful for on each feather.
4. Glue the feathers on the back of the turkey and more as your family comes up with more reasons to be thankful. You can print as many feathers as you wish to and make his tail full :)

You can print the color version and just write on the colored feathers, or if you would like your kids to color or paint the turkey and feathers, you can print the black and white version.

I have included a version to do as a family where it reads: We Are Thankful for... I also included one to do individually in case your children want to have their own turkey. It reads I am Thankful for ...

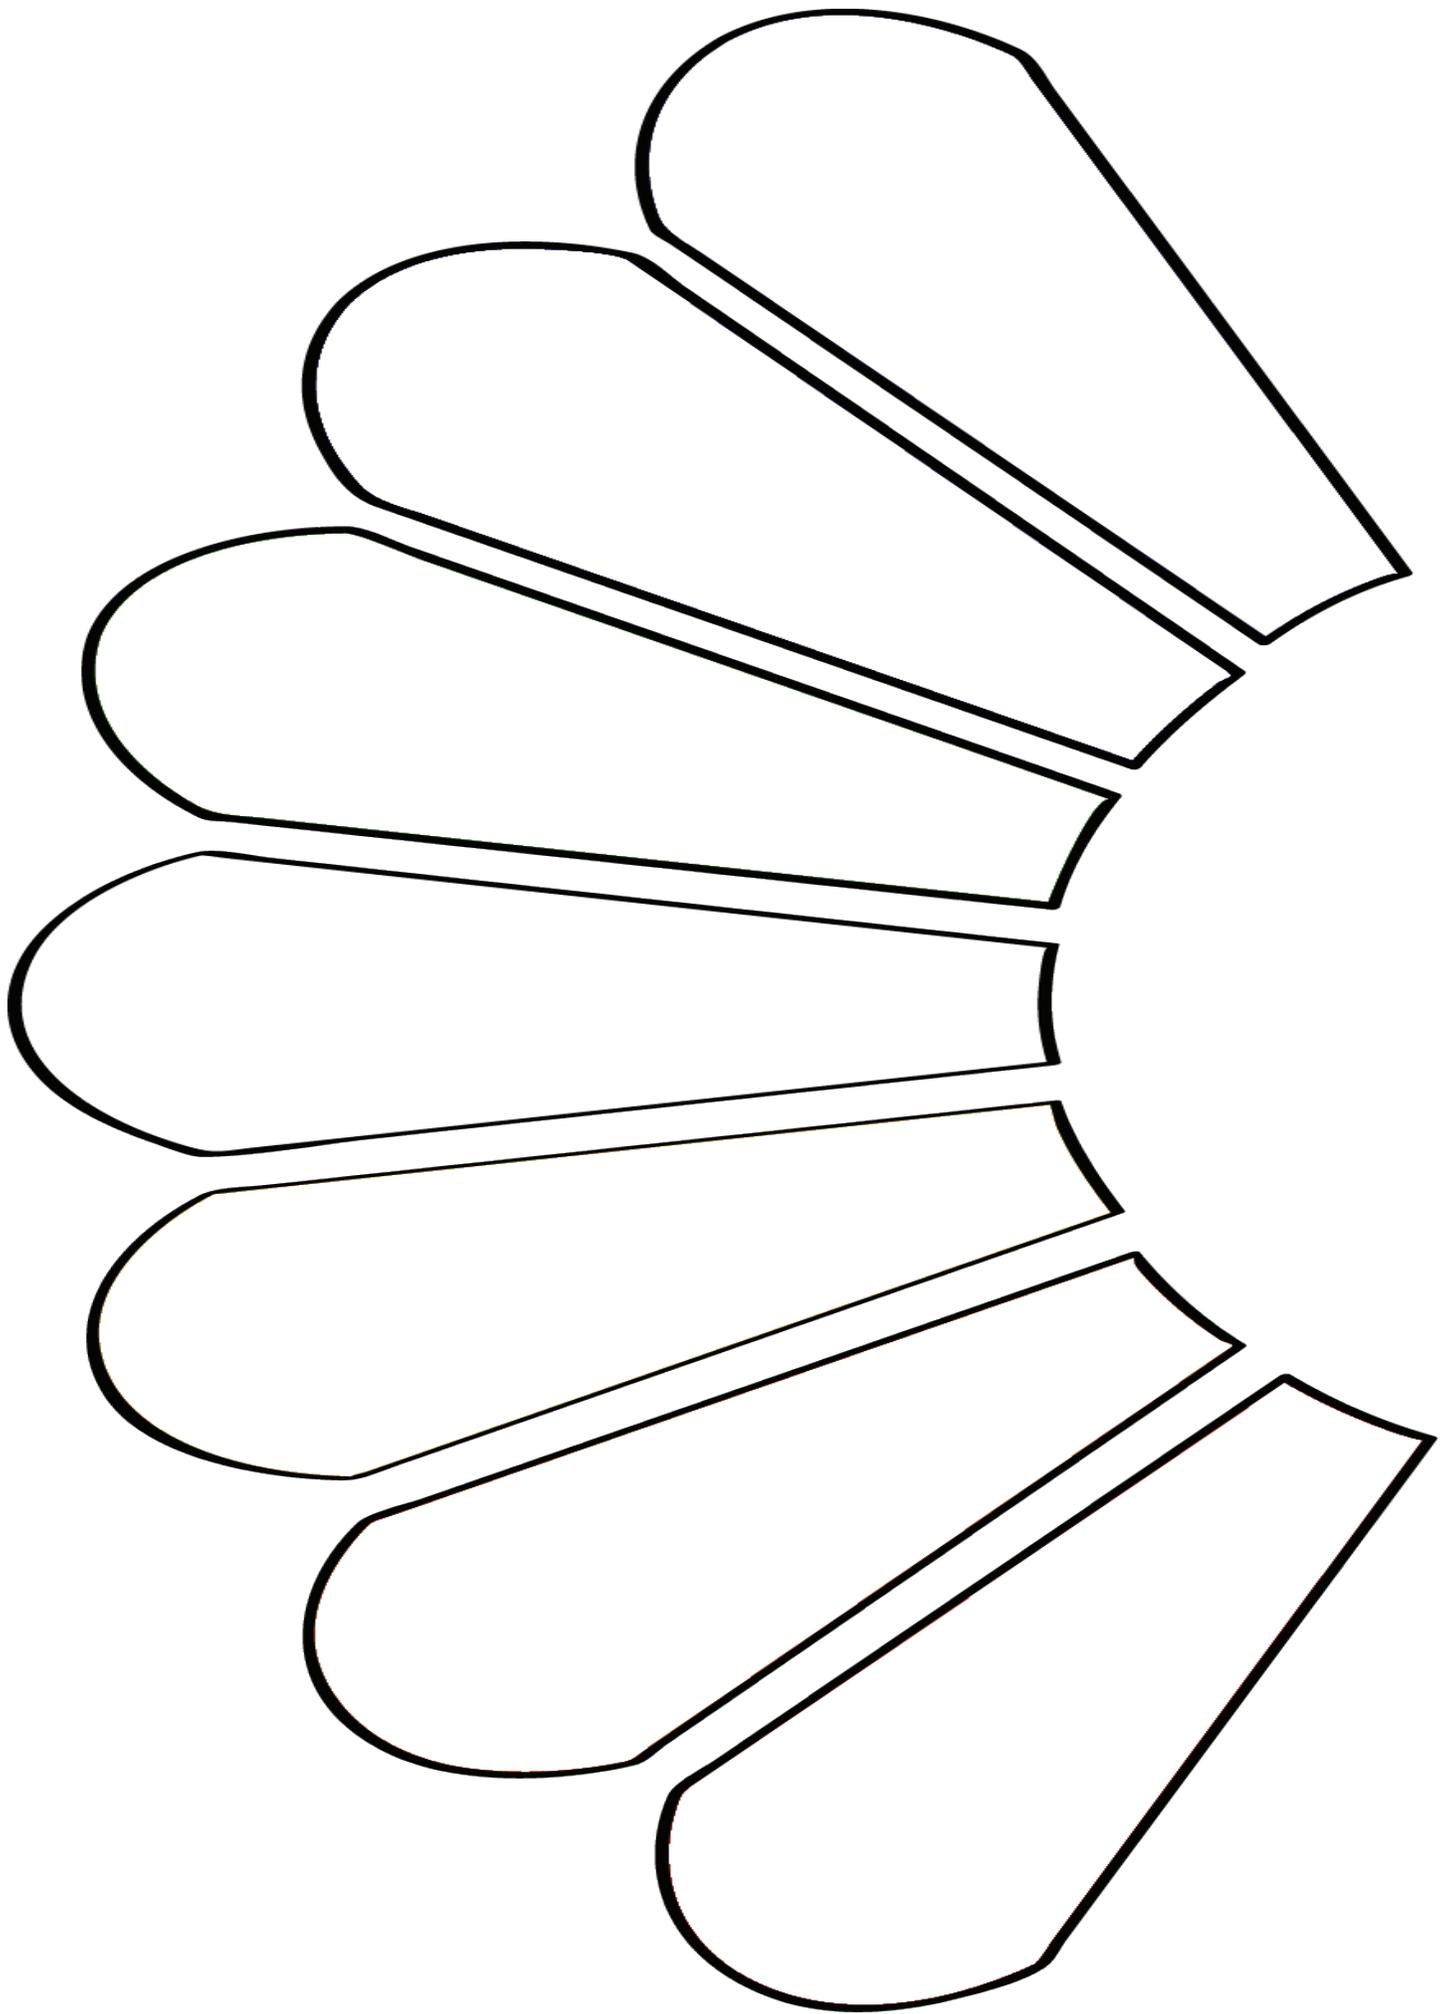

Thank you for downloading this file! I hope it can be useful to your family!
