

DOUBLES PANCAKE GAME

This is a game to help your child memorize the double facts. Ask your child to say the answer to the double fact written on the pancake before flipping it over. If your child answers correctly, he/she can add strawberries and syrup to the pancake! :)

This file is formatted to be printed double sided, so you can have the answer on the back of each pancake. Make sure to set your printer to flip the page on the SHORT side of the page.

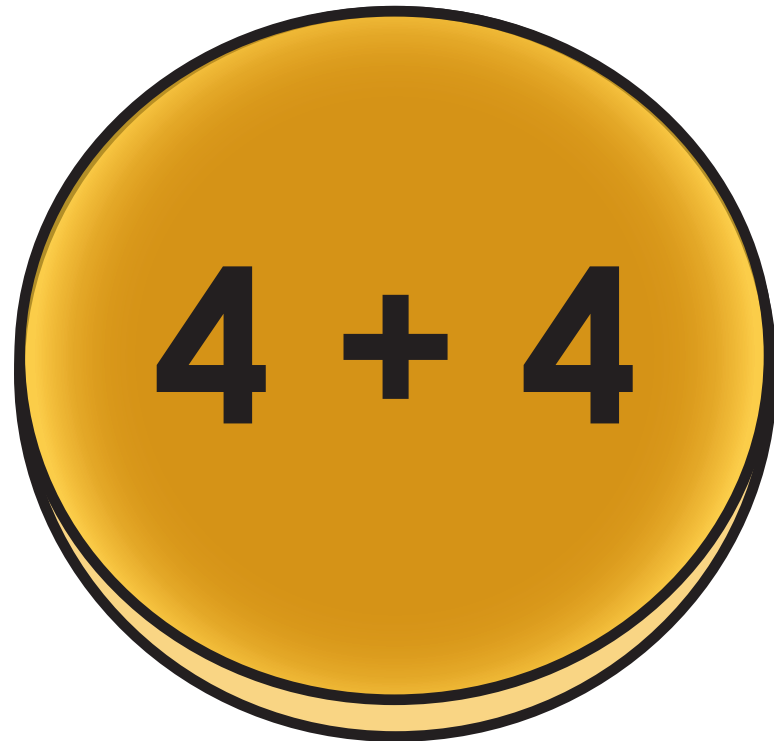

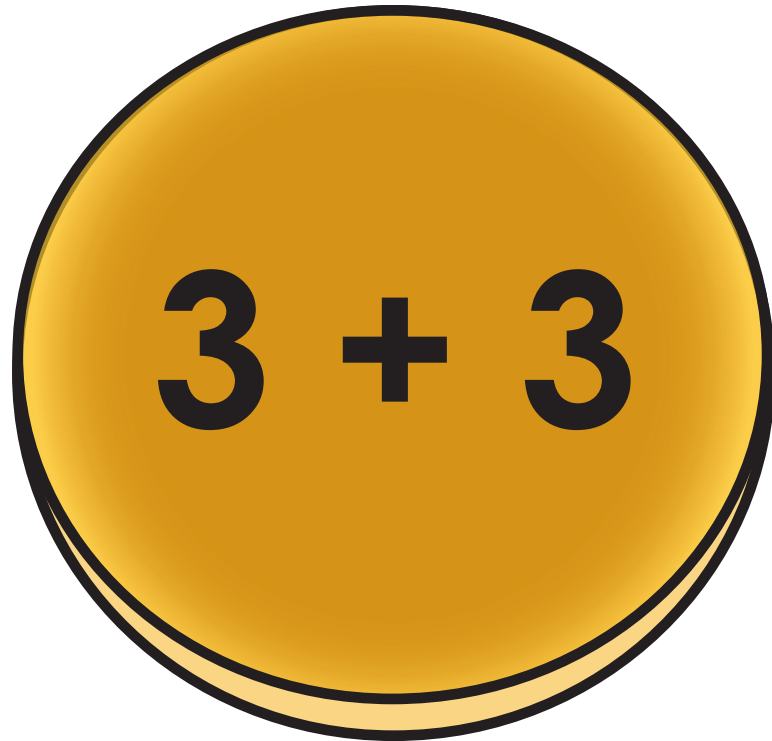

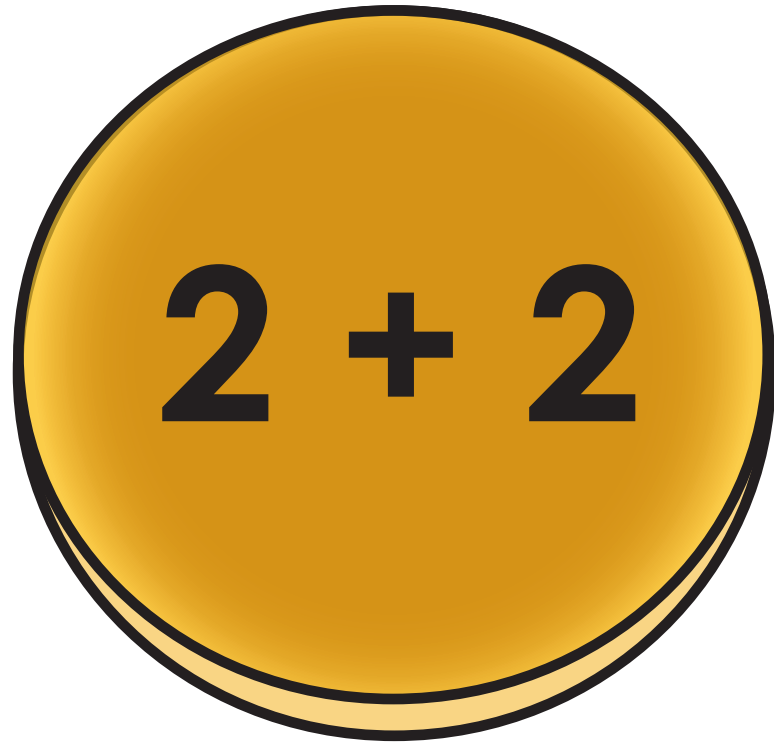

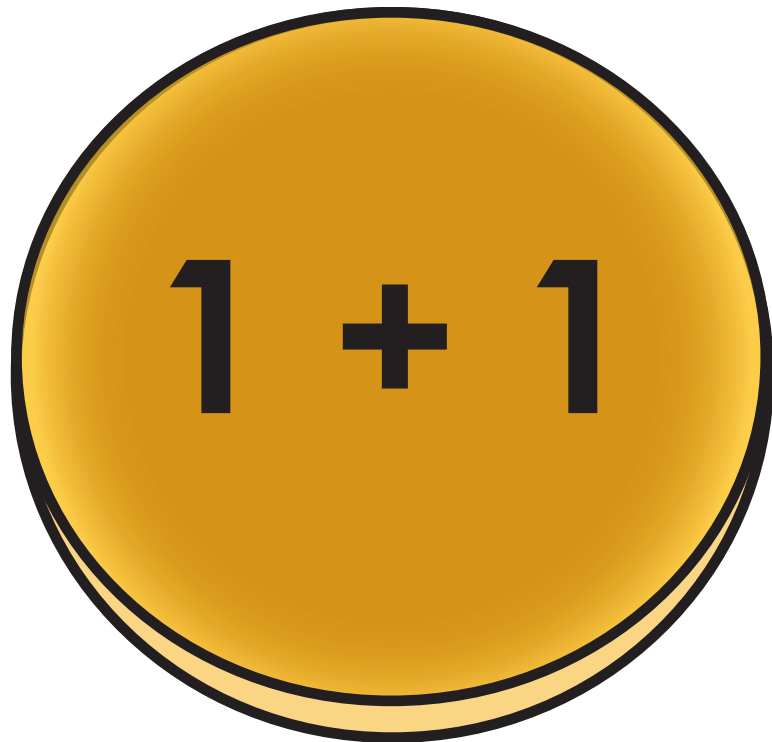

Have fun playing and learning with Math!

Thank you for downloading this file! I hope it can be useful to your family!

If you would like to share, please share a link to my blog or to the page that hosts these files.

Please do not link directly to just the PDF files. Please do not host or sell these files anywhere else.
