# from Beowulf

Translated by  
Francis B. Gummere

Stone-bright the street: it showed the way  
to the crowd of clansmen. Corselets glistened  
hand-forged, hard; on their harness bright  
the steel ring sang, as they strode along  
in mail of battle, and marched to the hall.

There, weary of ocean, the wall along  
they set their bucklers, their broad shields, down,  
and bowed them to bench: the breastplates clanged,  
war-gear of men; their weapons stacked,  
spears of the seafarers stood together,  
gray-tipped ash: that iron band  
was worthily weaponed! --

# from Beowulf
